

**WORKFORCE INNOVATIONS FOR A NEW NEVADA**  
**WORKFORCE DEVELOPMENT PROGRAM SUMMARY**

<b>Agency</b>	University of Nevada, Las Vegas School of Nursing
<b>Program Name</b> <i>(Complete a summary for each program)</i>	Population Health Training Initiative: Clinical Nursing Preceptor Training
<b>Contact</b> <i>Include Name, Phone and Email</i>	Carolyn E. Sabo, EdD, MSN, RN 702-895-3342 <a href="mailto:Carolyn.Sabo@unlv.edu">Carolyn.Sabo@unlv.edu</a>
<b>Program Description</b> <i>Briefly describe training program components. Highlight length of program and access or mobility features that would be of interest to an employer.</i>	<p>This program is designed to provide specialized training to licensed registered nurses and registered nursing students in preparation for providing preceptored opportunities for active nursing students in acute and outpatient healthcare facilities. The program begins with two modules on adult learning theory and application of theory and continues with eight modules focused on topics relevant to preparing a nurse to be a nursing student preceptor in clinical practice settings.</p> <p>Depending on the percentage of enhancement links to the program the participant accesses, the program can be completed in 25 to 80 contact hours.</p>
<b>Outcomes</b> <i>Please identify specific industry-recognized credentials and/or degrees that result from program completion.</i>	The program is provided online with 24 continuing education units credit approved by the Nevada State Board of Nursing. The participant completing the program will also receive a certificate of completion, "Clinical Instruction and Preceptor Training Program for Nurses".
<b>Accepting New Partners &amp; Students</b>	This program was funded to serve a closed cohort, but the training is available outside of this project funding. Contact UNLV to get more information.
