What is the CRAG Program?

The Nevada Commercial Rental Assistance Grant (CRAG) makes $19 Million in Coronavirus Relief Funds available for commercial rental relief for Nevada small businesses that have lost 30 percent or more in revenue as a direct result of the COVID-19 Pandemic.

Payments will be made directly to a landlord or leasing company, so applicants are encouraged to talk with their landlords early in the process to confirm their willingness to participate. CRAG funds will be applied towards future or past due commercial rent.

Award of funds

Eligible entities can receive up to $10,000, or up to three months in rent, whichever is less. Fund awards will be based on actual cost of rent and any applicable charges due under a lease (not to include payments for property taxes and utility payments), as well as the percentage of lost revenue as a result of the COVID-19 Pandemic.
