

Scheduling and Use of "The Gym"

"The Gym" was primarily constructed for sporting uses, such as basketball and volleyball on the hardwood floor.

Other uses for specific events may be approved on a case by case basis. For information on allowed uses of "The Gym," or to inquire about scheduling of "The Gym" please contact Valerie Swirczek at the City of Fallon, 423-3040.

- 8:00 P.M.—Celebration Activities Conclude

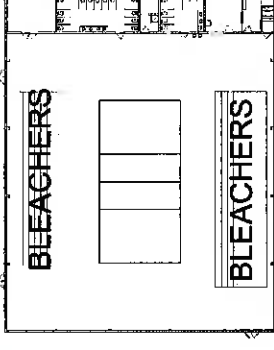

“The Gym”

“The Gym” was a cooperative effort between the City of Fallon and Churchill County. Teaming together, a \$350,000.00 construction grant was secured through the Nevada Governor’s Office of Economic Development Community Development Block Grant Program. “The Gym” is a wonderful community asset that will provide recreational opportunities and improved quality of life for our local citizens. “The Gym” features over 12,800 square feet of floor space, and can be configured several ways to meet community demands for gym space. The configurations and some typical interior photographs are shown.
