

EmployNV – YOUR LEADER FOR WORKFORCE IN NEVADA

EmployNV provides a valuable combination of services, to Nevada businesses. Our dedicated team connects businesses to a qualified workforce. Business engagement activities include on-the-job training and education opportunities, to position individuals for success in the workforce.

Upskilling programs are also available to help your current staff gain the skills required for growth opportunities while boosting retention.

Business Services Include:

Financial Incentives

EmployNV offers a variety of financial incentives to help businesses grow and prosper including:

- *Silver State Works* – find more information at <https://silverstateworks.com/>
- Work experience – provides business a trial period with an employee with no risk
- Worker Upskilling – helps an existing employee get to that next level

Labor Market Information

Businesses can utilize the state resource [EmployNV.gov](https://employnv.gov) to research labor market information by area, industry, education, and occupation. The EmployNV Account Manager team can also assist with putting together customized reports for your business.

Personal Account Manager Service

EmployNV can help you find the right solution for your business. Onsite or offsite hiring events, job description development, nation and statewide salary comparisons, and job postings are just a few of the services offered. Business Account Managers are ready to speak with you about your recruitment needs and provide the solutions you are looking for. To speak with an Account Manager:

- **Southern Nevada:** (702) 486-0129 or employnvbizhub@detr.nv.gov
- **Northern Nevada:** (775) 284-9660 or biz-hub@detr.nv.gov
